About me

MERN Stack Developer with hands-on experience in building full-stack web applications and RESTful APIs using React.js, Next.js, Node.js, Express.js, and MongoDB. Skilled in developing scalable and responsive applications with secure authentication and modern UI design. Currently exploring AI/ML concepts and interested in building intelligent and user-focused solutions.

Technical Skills

- **Languages** : Java, JavaScript, SQL
- **Frontend** : React.js, Next.js, HTML5, CSS3, Tailwind CSS, Context API, Redux Toolkit
- **Backend** : Node.js, Express.js, REST APIs, JWT
- **Database** : MongoDB, Mongoose, Aggregation, Indexing
- **Tools** : Git, GitHub, Postman, Vercel, Render

Projects

AI App Generator

- Built an AI-powered application generator using Next.js, React.js, and AI APIs
- Developed prompt-based workflow to generate dynamic UI components and app layouts
- Integrated REST APIs for real-time AI response handling and content generation
- Implemented responsive UI using Tailwind CSS and reusable React components
- Optimized application performance and user experience for smooth interaction
- Focused on scalable architecture and modern frontend development practices

GitHub: <https://github.com/Pradeep675972/ai-app-generator.git>

Doctor Appointment Booking System

- Built a full-stack web application using MERN stack
- Implemented JWT authentication and role-based access
- Designed dynamic scheduling with real-time availability
- Developed REST APIs for user and appointment management
- Deployed on Vercel and Render with MongoDB Atlas

GitHub: <https://github.com/Pradeep675972/Doctor-Appointment>

macOS Inspired Web OS UI

- Developed an interactive macOS-style desktop interface with dock, windows, and animations
- Built reusable and scalable UI components using React.js
- Implemented responsive design and smooth transitions for enhanced user experience
- Simulated real operating system behavior across different screen sizes

Education

B.Tech – Computer Science Engineering (Artificial Intelligence & Machine Learning)

Lakshmi Narain College of Technology, Bhopal

2022 – 2026 | CGPA: 7.87

Class 12th – Govt. Excellence School, Betul

2021 – 2022 | 71.4%

Class 10th – Betul High School

2019 – 2020 | 85.3%

Certifications

- Full Stack MERN Development – Sheryians Coding School (Ongoing)
- Java Programming Fundamentals – Infosys Springboard
